A.Y. 2021-2022 Action taken report	
Particulars / Action Point	**Action Taken**
Students	Based on the student's feedback, necessary improvement can be consider in Programme structure by adding the following courses related to, 1. RPA 2. Data Science for International Business management 3. Big data and Cloud 4. Digital Disruption
Teachers suggested courses/topics in term I as a holistic course on Information security, and in term II as Block chain Development using Java or Python or JavaScript.	The Programme structure which be updated by 1. Block-chain Development using Python 2. JavaScript Which will be helpful to the student in the techno management domain.
No suggestions from alumni on courses/topics.	No action required
No Suggestions from employer, as 1st batch will complete degree in AY 2022-2023	No Action required.
Parents Suggested courses/topics as keeping in mind the growing threat landscape, it would be great to see specialization in Cybersecurity	Cyber Security can be delivered as a part of flexi credit to the students , but considering it as specialization will be difficult as it will not be in align with the Programme objectives
